

Dairy: Careers from Farm to Fridge

Graphic Organizer

Human resources are needed to produce all goods and services.

List the people needed for each step of producing milk and turning it into cheese that we buy.

Production

Hint: Think about everything that happens on the farm and the people the farmer works with to raise healthy cows and run the business.

| | | |
|-----------------------|-------------------|-------------------|
| Dairy Farm Owner | Animal Geneticist | Veterinarian |
| Animal Nutritionist | Crop Farmer | Agronomist |
| Agricultural Engineer | Dairy Farm Worker | Milk Truck Driver |

Processing

Hint: Think about everything involved with turning milk into cheese and packaging it for distribution.

| | | |
|---------------------|--------------------------|--------------------|
| Food Scientist | Processing Plant Manager | Cheese Company CEO |
| Industrial Engineer | Computer Programmer | Plant Worker |
| Safety Manager | Food Inspector | |

Distribution

Hint: Think about everything involved with storage, transportation, marketing, and sales of cheese.

| | | |
|----------------------|----------------------|---------------------|
| Storage Specialist | Cheese Sales Manager | Marketing Manager |
| Graphic Designer | Food Stylist | Packaging Engineer |
| Shipping Coordinator | Dispatcher | Cheese Truck Driver |
