

# TIMELINE OF CHEESE

## 1. Crops

Crops are grown and harvested.

## 2. Feeding

The harvested \_\_\_\_\_ are fed to dairy cattle.

## 3. Milking

\_\_\_\_\_ cattle are milked and the milk is collected into tanks.

## 4. Processing

The \_\_\_\_\_ that was collected is processed and made into cheese.

## 5. Shipping

The \_\_\_\_\_ is packaged and shipped to restaurants and grocery stores.

## 6. Cooking

The cheese is used to make different foods like pizza!
