Rules

Students must work together in a group or as a classroom team to submit a completed marketing plan of their selected beef-focused product. Students should complete each bullet point outlined in the Student Checklist. Assign or encourage students to work on the project piece by piece.

Project plans will be submitted as a single PDF document and uploaded through an online submission portal. You will receive the submission link automatically after registration.

Computer aided graphics designed material must be of original design. Use of trademarked or copyrighted material will be grounds for disqualification. If you chose to use clip art or other graphics, please ensure that they are in the public domain.

For a detailed description of how judges will score projects, please refer to the middle school division rubric.
