

Name: _____

Where is STEM?

Farm to Fork

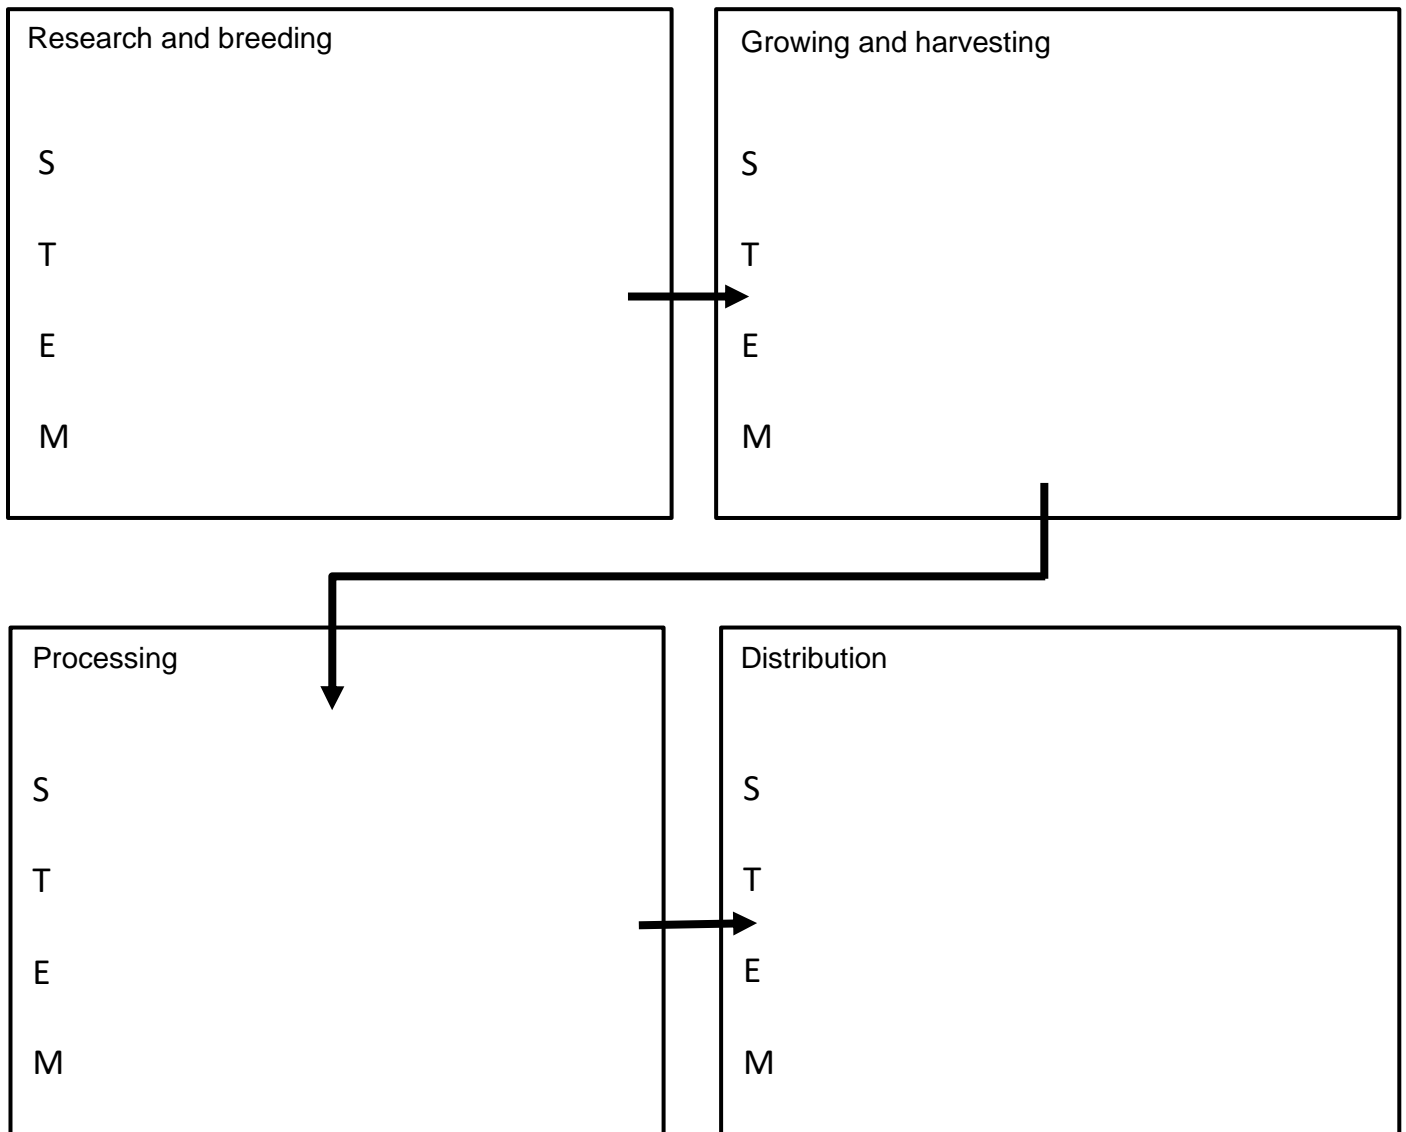

Think about the farm-to-fork process and identify science, technology, engineering, or math that takes place during each step. Choose one product below to follow:

corn

soybeans

beef

pork

Iowa Agriculture Today is a publication of the Iowa Agriculture Literacy Foundation. Special thanks to the CHS Foundation in part for making this issue possible. Thanks also to the following organizations for their continued support: Iowa Corn Growers Association, Iowa Farm Bureau, Iowa Pork Producers Association, Silos and Smokestacks Foundation, Iowa Energy Center, GROWMARK, DuPont Pioneer, HogSlat, Ag Ventures Alliance, and Farm Credit Services of America. To learn more or access an electronic version of this publication, visit us at www.iowaagliteracy.org. Or contact us at Iowa Agriculture Literacy Foundation, 5400 University Ave., West Des Moines, IA 50266. IALF Program Staff: Will Fett, Cindy Hall, Sheri Fitzpatrick, Chrissy Dittmer, Hannah Pagel. Design and layout of the magazine by Owen Design.
